

**EXILIM EX-Z450****HIGHLIGHTS****550 PICTURES ON ONE BATTERY CHARGE**

Have you ever set up the perfect photo only to find that your battery is empty? Moments such as these are so irritating — but they can be avoided.

**INTELLIGENT AF FUNCTION**

Your subjects need never again be out of focus in your photos! The intelligent AF function automatically focuses in on the ideal field of view and captures it clearly.

**28 MM WIDE-ANGLE LENS WITH 4X OPTICAL ZOOM**

The combination of the 28 mm wide-angle design and 4x optical zoom makes the EX-Z450 the perfect companion for every occasion — you have plenty of scope to take photos, be it of your loved ones, beautiful sights or romantic sunsets.

**IMPROVED DYNAMIC PHOTO FUNCTION**

Thanks to the new Dynamic Photo function, you can not only cut out subjects from an image series and insert them into other pictures, but you can also combine your photos with funny animations.

**LANDSCAPE MODE**

The EX-Z450 is equipped with a landscape mode for outstanding landscape photos. The „Vivid Landscape“ feature analyses the images and intensifies the key colours.

The **EXILIM Zoom EX-Z450** is available to buy from specialist dealers, shopping centres, electrical goods stores and all good shops.
